Sendgrid Account Creation

Sendgrid login Page:

The screenshot shows a web browser window with the URL `signup.sendgrid.com/account_details`. A green notification bar at the top states: "Your account has been created. Welcome to Twilio SendGrid—we're happy to have you!". Below this is the SendGrid logo and the heading "Tell Us About Yourself". A subtext reads: "This information will help us serve you better." The form contains several fields: "First Name" and "Last Name" (text inputs), "Company Name" and "Company Website" (text inputs), "Country Code" (a dropdown menu showing "USA (+1)") and "Phone Number" (text input). Below these is a section "What is your role?" with radio buttons for "Developer", "CEO", "Marketer", and "Other". Next is "How many emails do you send per month?" with radio buttons for ranges: "0 to 100,000", "100,000 to 700,000", "700,000 to 1,500,000", "1,500,000 to 10,000,000", "10,000,000 to 50,000,000", "50,000,000 to 100,000,000", and "100,000,000+". The final field is "How many employees work at your company?" with radio buttons for "1 - 500" and "1,001 - 5,000". The browser's taskbar at the bottom shows the date and time as 12:16 AM on 1/2/2022.

Sendgrid successfully created :

The screenshot shows the same web browser window, but the page content has changed. The heading now reads "Please provide further information". Below this, a message states: "You will not be able to send email through SendGrid until you provide more information. Please contact Support to answer a few more questions." At the bottom of the message is a button labeled "Contact Support". The green notification bar from the previous screenshot is still visible at the top. The browser's taskbar at the bottom shows the date and time as 12:13 AM on 1/2/2022.
