DELETE Statement:

delete from users where roll_number='5'

The screenshot shows a web-based SQL interface. The 'Input' tab is active, displaying the SQL query: `delete from user where roll_number='5'`. A 'Run SQL' button is visible. Below the input area, the 'Output' tab is active, showing a table with the following data:

roll_number	username	email	password
1	Ajai	ajai@gmail.com	ajail23
2	darshan	darshan@gmail.com	darshan123
3	jack	jakir@gmail.com	jakir000
4	karthi	karthi@gmail.com	karthi777

To the right of the output table, there is a section titled 'Available Tables' which is currently empty.
